5. Effect of vitamin C on bacterial vaginitis :a randomized blinded trial(as the supervisor)
6. Effect of Abdominal binder on pain, distress and bleeding after cesarean delivery: A randomized controlled trial

Reviewer of journals

- Eastern Mediterranean Health Journal (EMHJ)
- Iranian Red Crescent Journal (IRCJ)
- Journal of caring science (JCS)
- Payesh

Skills

- Computer skills : Office, word, power point
- EndNote software
- MAX-Q- DA- 10 software
- Qualitative and quantitative researches
- Data analysis in qualitative and quantitative studies
- Mix method researches
- Van mannen phenomenology
- Factor analysis
- Instruments development and psychometric properties
- SPSS

Foreign languages skills

- English (fluent in speech, writing and reading).
- French (Competent in speech, writing and reading).
- Turkish (fluent in speech and reading, competent in writing).

Research interests

Menopause, cesarean section, women health, neonatal health
