AGREEMENT FOR GRANTING TRANSLATION AND PUBLICATION RIGHTS

BETWEEN

The World Health Organization (WHO), 20 Avenue Appia, 1211 Geneva 27, Switzerland,

and

Faculty of Nursing & Midwifery, Tabriz University of Medical Sciences, Tabriz, Iran
(the Publisher)

WHEREBY it is mutually agreed as follows:

1. WHO hereby grants to the Publisher a non-exclusive licence to translate the following work:

   Guideline: use of multiple micronutrient powders for point-of-use fortification of foods consumed by pregnant women (the Work)

   from the English language into the Farsi language. The Publisher is granted a non-exclusive sublicensable worldwide licence to publish in electronic format, to market, and to distribute the translated Work (the Translation) in its entirety only during the whole term of copyright.

2. The copyright in the Work remain vested in WHO. The copyright in the Translation shall be vested in the Publisher. WHO shall retain all rights not specifically granted under this Agreement.

3. The Publisher shall print the following statement in Farsi, except for the title, which shall remain in English prominently on the copyright page of the translated edition:

Published by the World Health Organization in 2016
under the title Guideline: use of multiple micronutrient powders for point-of-use fortification of foods consumed by pregnant women
© World Health Organization 2016

The World Health Organization has granted translation and publication rights for an edition in Farsi to the Faculty of Nursing & Midwifery, Tabriz University of Medical Sciences, which is solely responsible for the quality and faithfulness of the Farsi translation. In the event of any inconsistency between the English and the Farsi editions, the original English edition shall be the binding and authentic edition.
