Academic Qualifications

PhD in Nursing, Tabriz University of Medical Sciences, Tabriz, Iran, 2017, January 25

MSc in Nursing (Medical Surgical Nursing), Tabriz University of Medical Sciences, Tabriz, Iran, 2001, February 1

BSc in Nursing, Urmia University of Medical Sciences, Tabriz, Iran, 1996, March 14

Field of interests (or the major research areas)

Clinical Education; Preceptorship; Patient Safety; Patient education

Professional Membership: (Administrative or executive Experience ...)

2001-2012: Educational Supervisor in Tabriz Children's Hospital

2016-2022: Assistant Professor

2022- present Associated Professor

2019- present: Member of Clinical Research Development Unit, Sina Educational, Research and Treatment Center, Tabriz University of Medical Sciences, Tabriz, Iran

2019- present: Member of Educational Committee of Sina Educational, Research and Treatment Center, Tabriz University of Medical Sciences, Tabriz, Iran

Membership in scientific societies and committees

-Scientific Committee Member of the International Congress on Pediatrics Nursing (2017, 2018, 2019, 2020, 2021, 2022).

Teaching Experience

I have been involved in the teaching of the following subjects:

1. Assessment and Management of Patients with Endocrine Disorders; B.Sc. Students
2. Management of patients with infectious diseases; B.Sc. Students
3. Assessment and Management of Patients with Hypertension (home care); B.Sc. Students

4. Nursing Management; B.Sc. Students
5. Workshop on Hospital Infection Prevention and Control; B.Sc. Students
6. Workshop on Hospital Infection Prevention and Control; M.Sc. Students
7. Advanced Practice in Endocrinology Nursing; Medical - Surgical Nursing M.Sc. Students
8. Clinical Teaching Methods to M.Sc. Students
9. Emergency Pharmacology to M.Sc. Students
10. Clinical practicum of Nursing principles and skills to B.Sc. Students (Fundamentals of Nursing Course, Clinical Instructor, 6-8 students, Baccalaureate).
11. Clinical practicum of Adult-geriatric nursing 3- Assessment and Management of Patients with Endocrine Disorders; B.Sc. Students
12. Advanced Practice in Diabetes Nursing; Medical - Surgical Nursing M.Sc. Students
13. Scientific writing; PhD in Nursing Students
14. Care of Adults with Acute and Chronic Disorders (2), Unit Title: Endocrine Disorders; Medical - Surgical Nursing M.Sc. Students
15. Surgical Technology in Gastrointestinal and Endocrine Surgery (Perioperative Care of the Patients); Bachelor of Science (B.Sc.) Operating Room Technology Students
16. Familiarity with Internal Diseases and Care of the Patients with Internal Diseases, Unit Title: Endocrine Disorders; Bachelor of Science (B.Sc.) Operating Room Technology Students

Research Projects

1. Nursing students obstacles in E-learning during COVID-19 pandemic and its effect on their attitudes towards e-learning: A mixed methods research
2. Lived experience of nurses in caring for Covid19 patients: A hermeneutic phenomenological study
3. Knowledge and attitude towards nursing preceptorship among nurse educators of Medical Sciences Universities in North-West of Iran, 2019
4. Preceptor Learning Needs Assessment
5. Translation and Cultural adaptation of Compliance with Standard Precautions Scale (CSPS): Iranian version
6. Designing and psychometric evaluation of “nurses’ Kardex performance” checklist: a mixed method Study
7. Caring Behaviors of Preceptors as Perceived by New Nurses
8. preceptor’s perceptions of benefits, rewards, supports and commitment to the preceptor role in a preceptorship

program for newly graduated nurses

9. The effect of education on the level of knowledge, attitude and anxiety of parents of children with febrile convulsion

10. Investigating mothers' satisfaction with nursing care in children's hospital

11. Emergency nurses' clinical teaching role

12. ...

Thesis (Supervisor or Advisor)

Thesis (from the most recent)

As Supervisor: More than 8 theses

1. Perceptions of emergency nurses regarding their role in clinical teaching of nursing students and the hindrances and facilitators for their participation in clinical teaching at educational and treatment centers of Tabriz University of Medical Sciences

2. The effect of preceptorship training program on preceptors' perceptions of benefits and rewards, supports and commitment to the preceptor role

3. Effects of the Implementation of an Infection Control Link Nurse Program on Clinical Nurses Compliance with Standard Precautions

4. Nurses' Perception of Relationship-Based Care Environment and its Relationship with Compliance with Standard Precautions among Clinical Nurses Affiliated to Educational and Medical Centers of Tabriz University of Medical Sciences: A Descriptive Correlational Study

5. Nurses knowledge, attitudes and practices in nutritional management of diabetes in Tabriz University of Medical Sciences: A descriptive study

6. The relationship between Patient Safety Culture, Job satisfaction and Unwanted Events among nurses working in emergency department of Tabriz educational centers in 2019

7. A comparative study of Emergency Nurses and Prehospital Emergency Personnel Competence in Electrocardiographic Interpretation in hospitals and Emergency Medical Services (EMS) Centers of Tabriz

8. The survey of competence and its relationship with the frequency of use among the new nurses working in Tabriz Emergency Departments

9. ...

As Advisor:

1. Predicting the related factors with the quality of nursing documentation of patients with poisoning diagnosis in the emergency department of Sina Hospital in Tabriz in 2021-2022
2. Comparison of the effect of two early mobilization protocols on pain severity, arterial oxygen saturation, hemodynamics parameters, postoperative complications in patients undergoing coronary artery bypass graft surgery: A single blinded randomized trial
3. The effect of nasogastric tube insertion on (nausea, vomiting and pain) after laparoscopic cholecystectomy
4. Effect of preceptorship model of clinical education on self-efficacy ability and self-esteem of baccalaureate nursing students of Tabriz Faculty of Nursing and Midwifery-1398: A quasi experimental study
5. Knowledge sharing and its relation with the performance of nurses in emergency departments of Tabriz medical sciences hospitals and internal communication of hospital in 2018
6. Evaluation of the therapeutic protocol of burn patients and comparison with standard protocol in the burn wards of Sina hospital during 2020
7. Comparing the effects of Telegram-based virtual education and In-person education on the disease control and quality of life in adolescents with severe and moderate asthma
8. Knowledge and attitude of nurses employed in teaching hospitals of Tabriz about Middle East Respiratory Syndrome infection (MERS-CoV) and its relationship with the hospital and nurses preparedness to manage this disease, 2017
9. ...

Training Course (Participant or Speaker)

Speaker

1. **Preceptorship Workshop** (More than 19 CE)
2. **Preceptorship Workshop** (More than 12 In-Service Education)
3. **Nursing Documentation Workshop** (More than 9 CE)
4. Nursing Documentation Workshop (More than 7 In-Service Education)
5. Clinical Teaching Workshop
6. Diabetes Professional Education Webinar
7. Intravenous Therapy Workshops and Webinar
8. Patient Safety CE

9. Infection prevention and control (IPC)
10. Hand Hygiene (In-Service Education)
10. Update on Diabetes Nursing Care (CE)
11. Pediatric Basic and Advanced Life Support workshop (3 CE)
12. Basic Research Workshop (CE)
13. Patient Education
14. ...

Participant

1. Systematic review and meta-analysis workshop
2. Development of research instrument
3. Scientific Writing
4. Common Mistakes to Avoid When Writing a Research Paper
5. Hospital Emergency Preparedness and Response Planning
6. Email Writing English
7. iSpring Presenter
8. Adobeconnect & Comtasia
9. Fasting in Ramadan and Health
10. Faculty Development Programme
11. lifestyle
12. EndNote Workshop
13. SPSS workshop
14. Statistics workshop
15. Determinants of health, qualitative Research Methods, and Medical Anthropology Workshop, Tabriz, Iran, May 17-19, 2015
16. ...

Honors and awards

- √ Selected as a top nurse in National Nursing Week in 2006
- √ First ranking in all educational groups based on a student evaluation of teacher (Spring Semester, 2020)

International journal editors or reviewers

Article reviewer for:

1. Nurse Education in Practice (32 reviews between January 2018 and November 2022)
2. Nurse Education Today
3. Iranian Journal of Neonatology
4. Journal of Caring Sciences
5. Patient Education and Counseling (11 reviews since July 2019)
6. BMC Nursing
7. Nursing Open
8. PEC Innovation (5 reviews since Jun 2023)
10. PLOS ONE
11. BMC Medical Education
12. ...

Presentation in seminars, conferences and congresses (Oral or Poster)

Oral

More than 20 oral presentation:

1. **Shahla Shahbazi**, Leli Ziyalame. **Preceptorship- The use of hidden treasures in health system**. The Virtual 33rd international Congress on pediatrics and 19th international Congress on pediatric nursing. October 21-24, 2021, Tehran, Iran
2. **Shahla Shahbazi**, Mohammad Arshadi. **Nursing Preceptorship: Connecting Practice and Education-An Innovation Program in which Everyone Wins**. The 30rd international Congress on pediatrics and 16th International Congress on pediatric nursing. October 18-21, 2018, Tehran, Iran
3. **Shahla Shahbazi**, **Implementation of morbidity and mortality conferences at Tabriz Teaching Children hospital**. The 23rd international Congress on pediatrics and 9th National Congress of Pediatric Nursing. October 13-17, 2011, Tehran, Iran
4. ...

Poster

More than 20 Poster presentation

1. **Shahla Shahbazi. Effectiveness of perceptorship workshops for nursing student perceptors based on the Kirkpatrick model at Tabriz University of Medical Sciences.** The 31rd international Conference on pediatrics and 17th International Congress on Pediatric Nursing. October 31- November 3, 2019, Tehran, Iran
2. Afshin Gharekhani, **Shahla Shahbazi**, et al. **Designing and Implementation of Joint Nursing and Clinical Pharmacy Group Grand Rounds at Sina Medical Center.** Congress of accountability in medical education. August 15-17, 2018, Tabriz, Iran
3. **Shahla Shahbazi, Professional Accountability in Nursing Preceptorship Program.** Congress of accountability in medical education. August 15-17, 2018, Tabriz, Iran
4. Adel Mazaheri, **Shahla Shahbazi**, Patient Education Documentation. The 1th National Congress on Patient Safety. October 26-28, 2011, Urmia, Iran
5. **Shahla Shahbazi**, Adel Mazaheri, Patient/Family Education and patient Safety. The 1st National Congress of the Patient Safety. October 26-28, 2011, Urmia, Iran
6. Adel Mazaheri, **Shahla Shahbazi**, Health Informatics and Patient Safety. The 2nd National Congress on Patient Safety. October 24-26, 2012, Urmia, Iran
7. ...
