

In the Name of God

Tabriz University of Medical Sciences

Nursing and Midwifery Faculty

Pediatric Nursing Department

Personal Information

First and last name: Fatemeh Ghorbani Tabbakhi

Date and place of birth: 1976 - Tabriz

Year of starting activity as an academic member: 2020

Last academic rank: Assistant Professor

Marital Status: Single

Office phone number: 04134796770-150

Email: f.ghorbani2006@gmail.com / ghorbanif@tbzmed.ac.ir

Classification Pattern

No	Subject	Page
1	Training records	2
2	Educational activities	2
3	Research activities	3-6
4	Executive activities	7
5	Personal development activities	8-10
6	Books and educational materials	11
7	Executive positions	12

Training records

No	Major	Name of Institution	City	Grade	Year of
1	Nursing	Tabriz University of Medical Sciences	Tabriz	BSc	2004
2	Pediatric Nursing	Tabriz University of Medical Sciences	Tabriz	MSc	2011
3	Nursing education	Tabriz University of Medical Sciences	Tabriz	PhD	2017

Educational activities

Theoretical lessons						
No	Course	Major	Grades			Number of Semester
			BsN	MSc	PhD	
1	Nursing a healthy child	Nursing	*			2
2	Nursing of pediatrics' diseases	Nursing	*			1
3	Adolescent nursing	Nursing		*		1
4	Introduction and principles of neonatal care	Nursing		*		2
5	Principles of advanced neonatal nursing 1	Nursing		*		2
6	Nursing Theories	Nursing		*		1
Practical/Clinical courses						
No	Course	Major	Grades			Number of Semester
			BsN	MSc	PhD	
1	Nursing internship	Nursing	*			2
2	General evaluation of the baby and the family	Nursing		*		2
3	Internship in the principles of nursing care for newborns 1 and 2	Nursing		*		4
4	Internship in advanced care of newborns 1 and 2	Nursing		*		2
5	Adolescent nursing internship	Nursing		*		1
6	Internship in the application of nursing theories	Nursing		*		1

Research activities

Research projects			
No	Project title	Type of cooperation	Year
1	The effect of massage and local heat on the outcomes of venipuncture in 2-14-year-old children admitted to Mardani Azar Children's Hospital: a randomized clinical trial.	Project manager / running	2022
2	Effective factors in the care knowledge of primiparous mothers of newborns in Tabriz health centers	Project manager / running	2022
3	Investigating the effectiveness of ostrich oil on the rate of healing of pressure ulcers in babies: a randomized controlled clinical trial.	Project manager / running	2022
4	The relationship between self-compassion and job satisfaction and quality of life of nurses in neonatal intensive care units.	Project manager / running	2021
5	The relationship between organizational safety climate and nurses' safety attitudes and the rate of errors in Tabriz Children's Hospital.	Project partner / running	2020
6	Examining the attitude of nurses towards the establishment of free visit procedure in neonatal special care units and its relationship with facilitating and inhibiting factors.	Project manager / finished	2020
7	Examining the needs of mothers, responding to their needs and satisfaction with the response given to them in the neonatal wards of Alzahra Hospital, Tabriz, 2017	Project partner / finished	2017
8	Comparison of premature prognosis of extremely low birth weight (ELBW) infants before and after the implementation of palliative care protocol based on (CRIB II).	Project partner / finished	2016
9	Comparison of pain level and physiological indicators of premature babies in two blood sampling methods from head vein and back of hand vein: a single blind crossover clinical trial.	Project partner / finished	2016
10	The effect of two methods of plastic covering and blanket on body temperature, heart rate and blood oxygen saturation of premature infants under radiant heating: a randomized crossover clinical trial.	Project partner / finished	2015
11	Nurses' lived experiences of family-centered care in neonatal intensive care units: an interpretive phenomenological study.	Project partner / finished	2014
12	The relationship between cumulative stressors and their short-term outcomes in premature infants admitted to the intensive care unit.	Project partner / finished	2011

13	Investigating the risk of death in premature and low birth weight infants in the neonatal intensive care unit of East Azarbaijan, Golestan and Razavi Khorasan provinces.	Project partner / finished	2011
14	Comparison of the effect of prone and arched postures on oxygenation of premature infants with respiratory distress treated with Nasal Cpap.	Project partner / finished	2010

Articles

Published articles

No	Index of the journal	Language		Year	Journal's name	Title of article	Author no
		Persian	English

11	Second	Concept of holism in nursing	Tabriz University of Medical Sciences	Poster	2014/4	Student congress of challenges and opportunities
12	First	The predictive value of the CRIB II instrument in the outcomes of premature infants	Shiraz University of Medical Sciences	Poster	2014/4	International Children's Congress of Professor Amir Hakimi
13	First	Comparison of positions of infants on their cardiopulmonary rhythm	Tehran University of Medical Sciences	Lecture	2009/10	National pediatrics congress
14	First	Comparison of positions of infants on their oxygenation	Tabriz University of Medical Sciences	Poster	2009/4	Azad University's international seminar
15	First	Noise intensity in NICUs	Tabriz University of Medical Sciences	Lecture	2007/8	National Congress of Infant Health of Iran

Personal development activities

Scientific workshops and conferences

No	Name of workshop	Duration	Date	Program host	Cooperation type
1	Workshop of curriculum with appropriate structure	2hr	2022	Nursing faculty's Education Development Office	Participation
2	Electronic logbook training workshop	2hr	2022	Nursing faculty's Education Development Office	Participation
3	Webinar on the importance and scope of research projects in education	3hr	2021	Nursing faculty's Education Development Office	Participation
4	Research proposal writing educational webinar	4hr	2020	Children Medical Training Center	Lecturing
5	An overview webinar on clinical evaluation methods	2hr	2020	Nursing faculty's Education Development Office	Participation
6	Webinar on how to design descriptive questions	2hr	2020	Nursing faculty's Education Development Office	Participation

7	Webinar on important points in designing questions with the nature of clinical reasoning	3hr	2020	Nursing faculty's Education Development Office	Participation
8	Getting to know the research process	2hr	2019	Nursing faculty's Education Development Office	Participation
9	An overview webinar on clinical evaluation methods	2hr	2019	Nursing faculty's Education Development Office	Participation
10	Familiarity with Adobe connect software	2hr	2019	Nursing faculty's Education Development Office	Participation
11	Webinar on the training of descriptive tests in the	2hr	2019	Nursing faculty's Education Development Office	Participation
12	Conducting effective online tests	2hr	2019	Nursing faculty's Education Development Office	Participation
13	Introductory research method training course	12hr	2019	Children Medical Training Center	Lecturing
14	Effective communication skills webinar	2hr	2019	Nursing faculty's Education Development Office	Participation
15	Neonatal resuscitation	6hr	2018	Al-Zahra Medical Training Center	Lecturing
16	Neonatal resuscitation coaching	6hr	2018	Al-Zahra Medical Training Center	Participation
17	Application of scientific care method in nursing of children	18hr	2018	Children Medical Training Center	Lecturing
18	Philosophy workshop for children	6hr	2018	Tehran Children's Medical Center	Participation
19	NIDCAP workshop	12hr	2014	Children Medical Training Center	Participation
20	End Note reference writing software workshop	6hr	2014	Faculty of Health and Nutrition, Tabriz	Participation
21	Qualitative studies workshop	12hr	2014	Tabriz Faculty of Management and Information	Participation
22	Class management workshop	6hr	2013	Tabriz nursing and midwifery faculty	Participation
23	Evidence based practice	18hr	2012	Research Development and Coordination Center	Participation
24	Workshop on how to write a thesis	6hr	2012	Vice Chancellor for Research of Tabriz University of Medical Sciences	Participation
25	Critical care of newborns at risk	6hr	2012	Al-Zahra Medical Training Center	Participation
26	workshop Guideline Adaptation	12hr	2011	Research Development and Coordination Center	Participation
27	Conference on Medical and Nursing Challenges of Neonatal Special Care	18hr	2011	Shahid Beheshti University of Medical Sciences	Participation
28	Scientific conference on the interpretation of arterial blood gases	6hr	2010	Al-Zahra Medical Training Center	Participation

29	Children's nursing conference	18hr	2010	Tehran Children's Medical Center	Participation
30	Neonatal resuscitation workshop	12hr	2009	Tabriz nursing and midwifery faculty	Participation
31	Seminar on nursing care of children with chronic diseases	12hr	2008	Tabriz University of Medical Sciences	Participation
32	Kangaroo care seminar	12hr	2008	Tabriz University of Medical Sciences	Participation
33	Adult resuscitation workshop	18hr	2007	Scientific Association of Cardiac Nurses	Participation
34	Iran's National Neonatal Health Congress	18hr	2007	Tabriz University of Medical Sciences	Participation
35	Workshop on types of shock and their treatment	6hr	2006	Al-Zahra Medical Training Center	Participation
36	Neonatal resuscitation workshop	18hr	2005	Al-Zahra Medical Training Center	Participation
37	Conference of new nursing approaches in sensorimotor disorders	12hr	2004	Tabriz nursing and midwifery faculty	Participation

Books

Book authoring / translation					
No	Book name	Issue	Date	Type of cooperation	publisher
1	Textbook of Neonatal (NRP) Resuscitation	Neonatal Resuscitation	2016	Participation in translation	Art Designers Company
2	Practical Newborn Critical Care Nursing	Caring for neonate	2011	Participation in translation and final editing	Electronic

Educational materials

No	Preparation of educational materials			
	Title	Date	place of creation	Type of cooperation
1	National clinical guidelines for urinary incontinence in women	2013	Urogynecology Knowledge Management Center, Tabriz University of Medical Sciences	Participation in localization
2	National clinical guidelines for the care of patients with gonorrhea	2013	Urogynecology Knowledge Management Center, Tabriz University of Medical Sciences	Participation in editing
3	Clinical guidelines for the management of nausea and vomiting during pregnancy	2013	Urogynecology Knowledge Management Center, Tabriz University of Medical Sciences	Participation in editing
4	NICU staff briefing booklet	2012	Al-Zahra Medical Training Center	Editing

Reviewing

No	Reviewing scientific articles			
1	Journal Name	Duration of Cooperation	Country	Number of Review
2	Egyptian Pediatric Association Gazette	From 2021	Egypt	1
3	Hayat	From 2019	Iran	3
4	BMC pediatrics	From 2019	United Kingdom	2
5	Journal of clinical Nursing (JCN)	From 2017	United States	6
6	Journal of Caring Science (JCS)	From 2016	Iran	13

Executive positions

No	Position	Institution	Date
1	Head of Education Development Office	Nursing and Midwifery Faculty	From 2022
2	Secretary of the Research Committee	Nursing and Midwifery Faculty	From 2022
3	Quality improvement and patient safety expert	Al-Zahra Medical Training Center	2018-2020
4	Research expert	Urogynecology Knowledge Management Unit	2009-2011
5	Nurse of NICU	Al-Zahra Medical Training Center	1999-2009
