

Curriculum vitae

1) PERSONAL DETAILS

Name: Roghaiyeh Nourizadeh

Gender: Female

Nationality: Iranian

Date of birth: 21.9.1978

E. mail: rnourizadeh@gmail.com, nourizadehr@tbzmed.ac.ir

ResearcherID:

J-5653-2017

URL: <http://www.researcherid.com/rid/J-5653-2017>

ORCID: <http://orcid.org/0000-0002-6367-8615>

QUALIFICATIONS:

B.Sc. of Midwifery (Bandar Abbas University of Medical Sciences, 2002)

M.Sc. of Midwifery (Tabriz University of Medical Sciences, Iran 2005)

Ph.D in Reproductive Health (Shahid Behesti University of Medical Sciences, 2014)

Title of Ph.D Thesis:

Development and psychometric testing of instruments to measure decision-making status in unintended pregnant women

Employment (2001- 2024)

Associate Professor in Nursing & midwifery Faculty, Tabriz University of Medical Sciences (at the moment)

Employee in delivery ward of Taleghani Educational-Treatment Center of Tabriz University of Medical Sciences, Tabriz, East Azarbaijan Province, 2008-2015.

Lecturer in Islamic Azad University of Marand, Faculty of Nursing & Midwifery, 2006-2008.

Employee in Delivery ward of Imam Hossein Hospital of Hashtroud, East Azarbaijan Province, 2002-2008.

Service subject in Health Center of Gogan, East Azarbaijan Province, 2001-2002

Society memberships & Professional activities

Editorial Board of BMC Women's Health Journal, 2022-2025

Associate Head of Scientific Association of Midwifery, East Azarbaijan Branch, 2021-2024

Member of Medical Council Organization of Iran, No. 12397

Awards

- Being introduced as the top researcher of nursing and midwifery faculty by research deputy, Tabriz University of Medical Sciences, 2024.
- Being introduced as the top consultant academic teacher of nursing and midwifery faculty by educational deputy, Tabriz University of Medical Sciences, 2023.
- Being appreciated for Top function in operational programme of midwifery, Health Ministry, 2022.
- **Being accepted in PhD scholarship as number 1 in Iran, 2007**
- Being appreciated for endeavors in research projects of Taleghani Educational-Treatment Center of Tabriz University of Medical Sciences, 2015.
- Being introduced as the top student researcher in medical law, Cultural student Deputy, Health Ministry of Iran, 2012.
- Being introduced as the top student in PhD degree from 2011 to 2012.
- Executive director of National Seminar of Women, Health and Hygiene in Islamic Azad University of Marand, 2007
- Being appreciated for offering desirable midwifery services, 2006
- Being introduced as the top midwife of Hashtroud hospital, 2006
- Being appreciated for holding workshop of neonates resuscitation in Hashtroud hospital, 2005
- Being appreciated for holding workshop of breast-feeding in Hashtroud hospital, 2005
- **Being accepted in MSC degree as number 2 in Iran, 2002.**

2) EDUCATIONAL ACTIVITIES

- **Teaching the following subjects in Nursing & Midwifery faculty of Tbmmed:**

Consultation in premarriage, preconception and pregnancy for **PhD degree of Midwifery students,, 2024-2025**

Maternal health policy for **PhD degree of Midwifery students**, 2017-2025

Midwifery theories & Models for **PhD degree of Midwifery students**, 2016-2025

Reproductive Health (1) for midwifery students (MSc degree), 2016-2021

Consultation in pregnancy, childbirth and postpartum for midwifery students(MSc degree), 2015-2024

Reproductive Health (1) for Aras midwifery students (MSc degree), 2016, 2018.

Midwifery concepts (1) for Aras midwifery students (MSc degree), 2016, 2018.

Midwifery theories & Models for midwifery students (MSc degree), 2016-2025

Mother & Child Health & Reproductive Health (4) for bachelor degree students, 2016, 2021

Williams Obstetrics (1 & 2) for bachelor degree students, 2016-2025

Research Methodology for midwifery students(MSc degree), 2015, 2025

Computer application in medical sciences for Aras midwifery students(MSc degree), 2015.

Gynecology & Infertility for midwifery students (bachelor degree), 2015-2025

- **Teaching the following subjects in Azad University of Marand:**

Williams Obstetrics for midwifery students of Islamic Azad University of Marand, 2008

Principles and techniques of Nursing & Midwifery for midwifery students, 2006

Population and Family Planning for Biology Students, 2007-2008

3) Publications

Book

Microbiome- Gut-Brain Axis (Chapter 20): Impact of Probiotics in Modulation of Gut Microbiome. Nourizadeh R, Sepehri B, Abbasi a, Sayyed RZ, Khalili L. **Springer**, 2022. ISBN: 978-981-16-1625-9. Doi: 10.1007/978-981-16-1626-6.

Guidebook of Tubal Sterilization, Golban Medical Press (2009). [persian]

National guideline about in-home caring of the Covid-19 patients with mild symptoms, 2020. Under supervision of Health Ministry of Iran
