

Curriculum Vitae

Last update: 29.12.2022

Personal Information

First Name: Esmat

Last Name: Mehrabi

Title: Assistant Professor

Department: Midwifery, Tabriz University of Medical Sciences, Tabriz, Iran

Nationality: Iranian

Date of Birth: 27/4/1983

Place of Birth: Tabriz

Address: South Shariati street, Tabriz, Iran.

Phone No: 00989144142991

Email: mehrabie@tbzmed.ac.ir

b.Mehrabi62@gmail.com

Researcher IDs

Scopus ID: <https://www.scopus.com/results/authorNamesList/Mehrabi> Esmat.

Google Scholar ID: <https://scholar.google.com/citations?user=549CMAIAAAAJ&hl=en>.

Academic Qualifications

- PhD of sexual and reproductive health, Shahid Beheshti University of medical science, Tehran, Iran, 2014.

(Thesis Title: Designing and Psychometric Evaluation of Adjustment to Illness Measurement Inventory for Iranian Women With Breast Cancer. Shahid Behesti University of Medical Sciences, 2015).

- M.Sc. Midwifery, Tabriz University of Medical Sciences, Tabriz, Iran, 2009.

(Thesis Title: Relationship between pregnancy related complications and maternal anthropometric indices. Tabriz University of Medical sciences, 2010).

- B.Sc. Midwifery, Tabriz University of Medical Sciences, Tabriz, Iran, 2004

- Assistant Professor, Department of Midwifery, Tabriz University of Medical Sciences, Tabriz, Iran. From 2015 until now.
- Midwifery lecturer in Tabriz Islamic Azad University (from 2008 until 2012).
- Head of Midwifery Group (2010-2012).

Field of interests (or the major research areas)

Childbirth care model, postpartum care, sexual and reproductive health promotion models

Professional Membership: (Administrative or executive Experience ...)

Supervisor of accreditation committee in Faculty of Nursing and Midwifery (from 2018 until now)

Membership in scientific societies and committees

Member of systematic review and meta-analysis committee of Faculty of Midwifery (2019-2020).

Member of Childbearing committee of Faculty of Midwifery.

Teaching Experience

Theories & Models of midwifery

Women's reproductive Health

Obstetrical concepts

Conducting clinical courses (Normal vaginal child birth, family planning centers, maternity health care, ...) from 2005 until now.
