

Curriculum Vitae

Last update:2022

Personal Information

First Name: Mahin

Last Name: Kamalifard

Title: Assistant Professor

Department: Midwifery

Nationality: Iranian

Date of Birth: 1960

Place of Birth: Tabriz

Address: Faculty of Nursing and Midwifery, Tabriz

University of Medical Sciences, Shariaty Ave, Tabriz, Iran.

P.O. Box: 51745-3470, Fax: +98 411 4797713

Phone No.:+989143146763

Email: kamalifardm@tbzmed.ac.ir,

kamalifardm@gmail.com

Researcher IDs

Nationality: Iranian

Date of Birth: 1960

Place of Birth: Tabriz

Academic Qualifications

B.Sc.of Midwifery (Tabriz University of Medical Sciences, Iran), 1986

M.Sc.of Midwifery (Tabriz University of Medical Sciences, Iran), 1996

Field of interests (or the major research areas)

maternity health

maternity & newborn cares

management of labor and delivery

Professional Membership: (Administrative or executive Experience ...)

Head of Midwifery Department: Tabriz University of Medical Sciences, School of Nursing & Midwifery, ۲۰۱۱ to ۲۰۱۳

Head of the midwifery research team, 2008-2010

Membership in scientific societies and committees

Member of the training core for special natural childbirth skills from 2017

Member of Maternal Mortality Reduction Committee / Vice President of Treatment / Tabriz , 2011-2018

Member of the high-risk pregnancies and perinatology committee of Alzahra Hospital, 2007-2010

Executive Secretary of Natural Birth Conference, 2007

Participation in the educational planning meeting of midwifery emergencies for gynecologists and midwives, 2013

members of the Research Council of the Faculty of Nursing and Midwifery, 2011 to 2013

Teaching Experience

Obstetric M S in midwifery

Obstetric PhD in midwifery

Obstetric BS in midwifery

Obstetric Concepts 1 M S in midwifery

Obstetric Concepts 2 M S in midwifery

Gynecology

Practice in midwifery

Practice in statistics

Research Projects

- 1- Quality of prevention of postpartum hemorrhage in mothers admitted to Tabriz education – trapiutical Obstetric & Gynecologic centers in 2002. 2002.
- 2- The Quality of Provided services for combined Contraceptive pill users. 2001 Master of Science in midwifery. Adviser.
- 3- Comparison of labor pain and factors affecting on pain perception in labor among primiparas and multiparas women referring to Tabriz educating health care of ALZAHRA in 2005, 2005.
- 4- The effect of traditional and breast crawl methods on pospartum anxiety in refering primipar mother to Alzahra hospital in 1387.
- 5- Comparison of Labor Pain and Factors Affecting the Pain Perception among Primiparous and Multiparous Women Referring to Women’s Private and state Hospitals in Tabriz in 2010.
- 6- Impact of oral contraceptive hormones on quality of life in women reffering to treating-health centers of Tabriz university of medical sciences in 2005.
- 7- Relationship between Plasms Level of Se and Preeclamps, Azam Maleki 2006 Master of Science in midwifery.Supervisor.
- 8- Comparison of lifestyle during pregnancy in preterm and term birth among referring mothers to educational and traputic centers in Tabriz Raziye Alizadeh 2006.
- 9- The efficacy of kangaroo mother care on breastfeeding outcomes among primipar reffering to tabriz AL-zahra Hospital in 2008.
- 10- The Effect of Foot Reflexology (reflex zone therapy) on the Physical Symptoms of Premenstrual in Students of Girls Hostels of Tehran University of Medical Sciences 2011.
- 11- Relationship between maternal 1st trimester anthropometry indexes and pregnancy-delivery complications and outcomes in rfered women to Tabriz health care centers, 2009.
- 12- Clients’ viewpoints about the quality of counseltation in the premarriage counseling centers in Tabriz health centers in 2009.
- 13- Comparison of continuation rates and reasons of discontinuation for cyclofem and DMPA among Client of East Azarbaijan Health Houses 2009.
- 14- Relationship between infertility causes with quality of life and marital adjustment of infertile couples attending in

Alzahra Hospital educate and Tabriz 2010.

- 15- Effect of cervical cleaning with sterile cotton on the quality of Pap smear 2011.
- 16- Continuation and Discontinuation Reasons of LD Contraceptives among Iranian Women 2002.
- 17- The relationship of paternal depression with social support and perceived stress by him and maternal depression 2012.
- 18- Effect of peer support on postnatal depression, anxiety and self-esteem among women: one tailed blind, a randomized controlled trial.
- 19- The diagnostic value of two methods of fetal movement counting by mother in pregnant women referring to the Educational – Curative Centre of Tabriz Alzahra, 1389- 90, 2010 .
- 20- Effect of an educational protocol on knowledge, beliefs' and behaviors of nutrition on pregnant women referring to health center 2011.
- 21- Intimate partner violence and sexual function during pregnancy in adolescents and women aged 20 to 29 in the Hamedan, and Tbriz cities. 2014.
- 22- Comparison the effect of lanolin, peppermint and Dexpanthenolon Traumatic Nipples in Lactating Mothers: A randomized double – blind controlled trial 2014.
- 23- The study of receiving to preconceptional caring in first half pregnant womens referring to post and health, 2010.
- 24- Effect of education on arous mother's ost artum Effect of education on arous mother's ost artum lifestyle: a andomized control, 2013.
- 25- Self-Efficacy, Perceived Social Support and Fertility Intention among Patients with Fertility Age Multiple Sclerosis, 2013.
- 26- The relationship of breastfeeding self-efficacy with quality of life, Self-esteem and General health in referring mothers to medical-health centers of Flavarjan, 2015.
- 27- Comparison of the effect of lavandula and citrus aurantium on depression and quality in menopausal women: a randomized controlled trial,2015.
- 28- The effect of yoga on premenstrual syndrome in women referring to gynecologist`s private offices inTabriz ,2015.
- 29- Comparation the effects of lavender and valerian aroma in relieving labor pain and duration of labor in active and secsnd phase of labor in nulliparous women: a randomized thriple-blind placebo-controlled trial,2015.
- 30- The Effect of Peer Assisted Learning on Marital Adjustment and quality of life in Infertile Women referring to Alzahra hospital at Tabriz: a randomized controlled trial, 2015.
- 31- The effect of counseling on the some obstetrics outcomes of teenage pregnancy: a randomized controlled clinical trial, 2017.
- 32- Risk factors associated with health behaviors and sexual activity with Endometriosis: A case-control study, 2016.
- 33- Comparison of sexual function, quality of life and sexual satisfaction of women with and without type 2 diabetes referred

to health centers in Sanandaj in 2015.

- 34- Prevalence of vaginal candidiasis and its relationship with health promoting lifestyle in women 15-49 years referring to health centers of Bukan, 2018 : A Cross-Sectional Study, 2019.
- 35- Effect of counseling based on PLISSIT model on sexual function and satisfaction in pregnant women: a randomized controlled trial, 2016.
- 36- The effect of *Seidlitzia rosmarinus* in prevention of the incidence of recurrent cystitis in women of reproductive ages: a randomized controlled trial, 2017.
- 37- Comparison the effect of Swedish massage and interferential electrical stimulation on labor pain and childbirth experience in primiparous women: a randomized controlled clinical trial, 2019.
- 38- The effect of counseling with cognitive-behavioral approach on self-esteem and body image of lactating mothers: A quasi experimental study, 2019.
- 39- The Effects of Interferential Electrical Stimulation Current (IFC) on Labor Pain and Duration of Active Phase of Labor in Primiparous Women: A Randomized Controlled Trial, 2021.
- 40- The effect of Curcumin on postpartum depression and anxiety in Nulliparous Pregnant Women: a randomized controlled trial, 2022.
- 41- The effect of counseling with stress management approach and communication enhancement approach on sexual satisfaction and marital satisfaction of employed women with high occupational stress, 2019.
- 42- The effect of manual rotation on persistent occiput posterior in the second stage of labor on maternal and fetal outcomes: a systematic review, 2022.
- 43- The effect of manual rotation on Persistent occiput posterior in the second stage of labor on maternal and fetal outcomes: systematic review, 2022.

Thesis (Supervisor or Advisor)

- 1- Quality of prevention of postpartum hemorrhage in mothers admitted to Tabriz education – trapiutical Obstetric & Gynecologic centers in 2002. Naier Aslneqad Mogadamy 2002 Master of Science in midwifery **Supervisor.**
- 2- The Quality of Provided services for combined Contraceptive pill users. Shirin Allahverdizadeh 2001 Master of Science in midwifery. **Advisor.**
- 3- Comparison of labor pain and factors affecting on pain perception in labor among primiparas and multiparas women referring to Tabriz educating health care of ALZAHRA in 2005 Manizheh Pirdel 2005 Master of Science in midwifery. **Supervisor.**
- 4- The effect of traditional and breast crawl methods on pospartum anxiety in refering primipar mother to Alzahra

- hospital in 1387. Nazi karimi 2008 Master of Science in midwifery. **Supervisor.**
- 5- Comparison of Labor Pain and Factors Affecting the Pain Perception among Primiparous and Multiparous Women Referring to Women's Private and state Hospitals in Tabriz in 2010 Sosan Hoshmandi 2010 Master of Science in midwifery. **Adviser.**
 - 6- Impact of oral contraceptive hormones on quality of life in women referring to treating-health centers of Tabriz university of medical sciences in 2005. Massomeh Nasibi 2005 Master of Science in midwifery. **Supervisor.**
 - 7- Relationship between Plasms Level of Se and Preeclamps, Azam Maleki 2006 Master of Science in midwifery. **Supervisor.**
 - 8- Comparison of lifestyle during pregnancy in preterm and term birth among referring mothers to educational and traputic centers in Tabriz Raziye Alizadeh 2006 Master of Science in midwifery. **Supervisor.**
 - 9- The efficacy of kangaroo mother care on breastfeeding outcomes among primipar referring to tabriz AL-zahra Hospital in 1387 Marzieh Mohammady 2008 Master of Science in midwifery. **Supervisor.**
 - 10- The Effect of Foot Reflexology (reflex zone therapy) on the Physical Symptoms of Premenstrual in Students of Girls Hostels of Tehran University of Medical Sciences Homa Dastegheib Shirazi 2011 Master of Science in midwifery. **Adviser.**
 - 11- Relationship between maternal 1st trimester anthropometry indexes and pregnancy-delivery complications and outcomes in rferred women to Tabriz health care centers, 2009-2010 Esmat Mehrabi 2009 Master of Science in midwifery. **Supervisor**
 - 12- Clients' viewpoints about the quality of counseltation in the premarrriage counseling centers in Tabriz health centers in 2009 Parvin Mohebbi 2009 Master of Science in midwifery. **Supervisor**
 - 13- Comparison of continuation rates and reasons of discontinuation for cyclofem and DMPA among Client of East Azarbaijan Health Houses 2009 Robab Hassanzadeh 2009 Master of Science in midwifery **Supervisor**
 - 14- Relationship between infertility causes with quality of life and marital adjustment of infertile couples attending in Alzahra Hospital educate and Tabriz 2010. Elham Dehghanpour Mohammadian 2010 Master of Science in midwifery. **Supervisor**
 - 15- Effect of cervical cleaning with sterile cotton on the quality of Pap smear Sedighe Rezaie-Chamani 2011 Master of Science in midwifery. **Supervisor.**
 - 16- Continuation and Discontinuation Reasons of LD Contraceptives among Iranian Women Atefeh Velayati 2002 Master of Science in midwifery. **Supervisor**
 - 17- The relationship of paternal depression with social support and perceived stress by him and maternal depression Samira Panahi 2012 Master of Science in midwifery. **Supervisor**
 - 18- Effect of peer support on postnatal depression , anxiety and self-steam among women: one tailed blind. a randomised controlled traial Rogayah Iraj 2012 Master of Science in midwifery. **Supervisor**
 - 19- The diagnostic value of two method's of fetal movement counting by mother in pregnant women refering to the Educational – Curative Centure of Tabriz Alzahra, 1389- 90 Leila Rabiei 2010 Master of Science in midwifery. **Supervisor**
 - 20- Effect of an educational protocol on knowledge, bliefs and behaviors of nutrition on pregnant women referring to health center. Fatemeh Omid 2011 Master of Science in midwifery. **Supervisor**
 - 21- Intimate partner violence and sexual function during pregnancy in adolescents and women aged 20 to 29 in the Hamedan, and Tbriz cities. 2014. Elaheh Bahrami 2014 Master of Science in midwifery. **Supervisor**
 - 22- Comparsion the effect of lanolin, peppermint and Dexpanthenolon Traumatic Nipples in Lactating Mothers: A randomized double – blind controlled trial Kagal Masuodin 2014 Master of Science in idwifery. **Supervisor**
 - 23- The study of reciving to preconceptional caring in first half pregnant womens refering to post and health. Mahnaz Rahmat 2010 Master of Science in midwifery. **Supervisor**

- 24- Effect of education on arous mother's ost artum Effect of education on arous mother's ost artum lifestyle: a andomized control Farzaneh e Khodabandeh 2013 Master of Science in midwifery. **Supervisor**
- 25- Self-Efficacy, Perceived Social Support and Fertility Intention among Patients with Fertility Age Multiple Sclerosis Tayyeb Fat'hollahi 2013 Master of Science in midwifery. **Supervisor**
- 26- The relationship of breastfeeding self-efficacy with quality of life, Self-esteem and General health in referring mothers to medical-health centers of Flavarjan 1394 Nasrin Gordani 2015 Master of Science in midwifery. **Supervisor**
- 27- Comparison of the effect of lavandula and citrus aurantium on depression and quality in menopausal women: a randomized controlled trial Mahsa Namadian 2015 Master of Science in midwifery. **Supervisor**
- 28- The effect of yoga on premenstrual syndrome in women referring to gynecologist's private offices in Tabriz Gaforeh Gafari Laleh 2015 Master of Science in midwifery. **Supervisor**
- 29- Comparation the effects of lavender and valerian aroma in relieving labor pain and duration of labor in active and secsnd phase of labor in nulliparous women: a randomized thriple-blind placebo-controlled trial Rana Dosty 2015 Master of Science in midwifery. **Supervisor**
- 30- The Effect of Peer Assisted Learning on Marital Adjustment and quality of life in Infertile Women referring to Alzahra hospital at Tabriz: a randomized controlled trial, Zahra Jodian 2015 Master of Science in midwifery. **Supervisor**
- 31- Title: The effect of counseling on the some obstetrics outcomes of teenage pregnancy: a randomized controlled clinical trial, Roia Shafaghat, 2017 Master of Science in midwifery. **Supervisor**
- 32- Risk factors associated with health behaviors and sexual activity with Endometriosis: A case-control study, Sanaz Mallazadeh, 2016, Master of Science in midwifery. **Supervisor.**
- 33- Comparison of sexual function, quality of life and sexual satisfaction of women with and without type 2 diabetes referred to health centers in Sanandaj in 2015, Soria Golami, Master of Science in midwifery. Supervisor.
- 34- Prevalence of vaginal candidiasis and its relationship with health promoting lifestyle in women 15-49 years referring to health centers of Bukan, 2018 : A Cross-Sectional Study, 2019, Parvin Azhrak, Master of Science in midwifery. Supervisor.
- 35- Effect of counseling based on PLISSIT model on sexual function and satisfaction in pregnant women: a randomized controlled trial, 2016, Zhila Shahbazi, Master of Science in midwifery. Supervisor.
- 36- The effect of Seidlitzia rosmarinus in prevention of the incidence of recurrent cystitis in women of reproductive ages: a randomized controlled trial, 2017, Golchehreh Gholizadeh, Master of Science in midwifery. Supervisor.
- 37- Comparison the effect of Swedish massage and interferential electrical stimulation on labor pain and childbirth experience in primiparous women: a randomized controlled clinical trial, 2019, Mahsa Maghalian, Master of Science in midwifery. Supervisor.
- 38- The effect of counseling with cognitive-behavioral approach on selfesteem and body image of lactating mothers: A quasi experimental study, 2019, Nasrin Zamiri, Master of Science in midwifery. Supervisor.
- 39- The Effects of Interferential Electrical Stimulation Current (IFC) on Labor Pain and Duration of Active Phase of Labor in Primiparous Women: A Randomized Controlled Trial, 2021, Sahar pak, Master of Science in Rehabilitation, Advisor
- 40- The effect of Curcumin on postpartum depression and anxiety in Nulliparous Pregnant Women: a randomized controlled trial, 2022, Elham Pishvar, Master of Science in midwifery, Supervisor.
- 41- The effect of counseling with stress management approach and communication enhancement approach on sexual satisfaction and marital satisfaction of employed women with high occupational stress, 2019, Leily Kazemi, Master of

Science in midwifery. Supervisor.

42-

Training Course (Participant or Speaker)
