Greetings from International Relations Office of Tabriz University of Medical Sciences!

We are writing to let you know that we have received your admission request to study at TUOMS. Please kindly be noted that in order to formally apply for any available course at TUOMS you need to fill in the English version of our **Application Form** and send it as an email attachment to iro@tbzmed.ac.ir. You are also obliged to send the following documents:

- ✓ The scan of your latest degree (in English)
- ✓ Passport copy
- ✓ A brief CV of your scientific status

Admission Requirements & Tuition Fees & Currently Available Courses

All applicants who have applied for any course listed below will have an interview. If the interview result is positive, they will be admitted. Regarding the admissions available at TUOMS please kindly consider the following information:

1. Currently, there is no B.Sc admission available for international students, but there are some M.Sc., MD (Medicine, Pharmacy, Dentistry), and PhD courses which can be applied by international students. Regarding the costs:

- ➢ The tuition fee for all PhD courses is around 4000 USD (per year/2 semesters)
- ➢ The tuition fee for all MD courses (Medicine, Pharmacy, and Dentistry) is around 6000 USD (per year/2 semesters)
- ➢ The tuition fee for all M.Sc. courses is around 2000 USD (per year/2 semesters)
- ➢ The tuition fee for **Persian course** is around **850** USD (6 months)
- ➢ The **accommodation fee** for each student per semester is around **500** USD
- ➢ Regarding food, each **breakfast** meal costs nearly **1** USD and each **lunch or dinner** costs approximately **2.5** USD

2. Different fields have got different capacities for student admission. Here is the list of available fields and their corresponding capacities:

NO	Field	Duration	Capacity	Course	Medium
1	Immunology	2 Years	2	*M. Sc*	English/Persian
2	Clinical Biochemistry	2 Years	4	*M. Sc*	English/Persian
3	Medical Biotechnology	2 Years	4	*M. Sc*	English/Persian
4	Medical Nanotechnology	2 Years	2	*M. Sc*	English/Persian

5	Anatomic Sciences & Histology	4 Years	١	*PhD*	English/Persian
6	Clinical Biochemistry	4 Years	2	*PhD*	English/Persian
7	Immunology	4 Years	٢	*PhD*	English/Persian
8	Medicinal Chemistry	۴ Years	2	*PhD*	English/Persian

✓ In case of applying for any other field which has not been included in this table, the applicant needs to wait for the decision of the affiliated faculty and department. If the responsible authorities accept his/her application request, the course will be in Persian language.

3. Other admission requirements are:
   ❖ Having the nationality of a country other than Iran (Bi-national applicants with Iranian nationality are not admitted)
   ❖ Submitting formal and authentic degree of the previous course prior to the admission
   ❖ Submitting all verified documents which have been signed and sealed by Iranian embassy in the applicant's country of residence
   ❖ Fluency in Farsi or English
   ❖ No legal prohibition to study or reside in Iran

4. Admission process is fully online needless of any recommendation letter.

5. The students can pay the fee in two dues (1 at the beginning of the course and the other at the end)

6. The students who are not fluent in Persian will have a 6-month language course to learn the basics. Those fluent will start the course upon admission.

Hope you find the information of use.

Kindest Regards,

Dr. Hossein Abdolahi
Director of IRO
