

Webinar on **The necessity of changing the paradigm of biomedical research**,
Tabriz University of Medical Sciences, Tuesday, October 17, 2023

Introducing the workshop	Parviz Shahabi, Ph.D, Research Vice Chancellor, Tabriz University of Medical Sciences	8:45 AM- 9 AM
Changing the paradigm of research: from cause and effect to <i>causes and effects</i>	Joachim P Sturmberg*#	9-10 AM
Q and A	Joachim P Sturmberg	10-10:30 AM
Break	-----	10:30- 11 AM
Implications of complexity for medical research	Aboulfath Lameei ,M.D., Emeritus Professor, Urmia University of Medical Sciences	11-11:30 AM
Q and A	Aboulfath Lameei , M.D.	11:30- 12
Group Discussion	Participants	12-12:30

*Foundation President, International Society for Systems and Complexity Sciences for Health (ISSCSH), www.isscsh.org

#A/Prof of General Practice, College of Health, Medicine and Wellbeing, University of Newcastle, Australia
